SIR

In forwarding herewith a copy of the resolution of the Chickballapur Municipal Council, dated 30-9-35 proposing to the free grant of a site to Mr Hussain Ihan of Chickballapur for constructing at his own cost an Urdu Middle School Building, I have the honour to state that the applicant is said to have agreed to ear-mark the rent realised on the building from the Educational Department for the maintenance of the Jumma Masque

The records received from the President show that the gentleman referred to above expressed his desire to put up a pucca building as per plan approved by the Educational Department The site that is now proposed to be granted free is the one that had been purchased by Mr Sheriff Saab in 1933-34 from the Municipality But Government in thier order No L 314-5/Ml 58-33-22 dated 19-7-34 on the recommendation of the Council that it may be reserved to the Municipality for being eventually granted for locating an Urdu School Building - cancelled the sale of the site and ordered the refund of the chowtayi amount

Hence, as the construction of a building for the purpose specified above has been under the contemplation of the council for some time past, as a site also was, with the concurrence of Government reserved for grant and as such grants will tend to encourage public spirited and philanthropic
